

Affirmation of Reading, and Commitment to following Indian Rocks Christian Student Handbook and Internet/Computer policies and procedures as set forth in this handbook:

Student Handbook: Each parent needs to be of one mind with the school staff in understanding the purpose and policies of the school and complying with all handbooks.

Consequently, we ask that at least one parent affirm that they have read the Parent-Student Handbook at the beginning of the year and agree to support and practice the policies and procedures stated therein.

Please sign the appropriate space below indicating you have read this handbook and agree to support and practice the policies, procedures and stipulations provided for parents and students.

Computer/Internet Use by Students at Indian Rocks Christian Schools: Students will not access personal email accounts on any school computer for any reason other than to email an assignment to a teacher or to email themselves material or web sites that they are using for a current school project or assignment. Students will not at any time utilize Instant Messaging or any similar type of program allowing real time or delayed chat.

Students will not purposely seek any Internet site promoting [but not limited to] pornography, violence, hate, homosexuality, gambling, harassment or any entertainment sites concerning people or activities that promote these things.

If a student accidentally opens a questionable site they will immediately turn off the computer monitor and report the firewall break to their supervising staff member.

Students will not attempt to attach any type of electronic device [i.e. cell phones, iPods, palm pilots, MP3's, etc] for the purpose of accessing information, downloading from the Internet, or uploading to a computer. Students will not change the settings [including but not limited to Desktops, themes, homepages etc.] on any school computer.

Students will not attempt to access any school program or database for the purpose of changing or altering any type of information.

Student computer activity may be monitored, captured, and printed at any time by the Administration, Computer/Library staffs, or the IT Department for purposes of review for consideration of disciplinary action.

Misuse of the Internet, email, chat rooms, message boards, online journals, personal or public websites [and like items] for the purposes of harassing or defaming a student or staff member, whether on or off campus, will be dealt with by the guidelines of this handbook.

Filed for the 20____/20____ school year. I have read the Student Handbook and the above Computer/Internet Use by Students at Indian Rocks Christian School standards/guidelines and agree to abide by them [or] agree that my student will abide by them. Parents/Student please sign below:
