One Community. One Mission. One Rock to Build On.

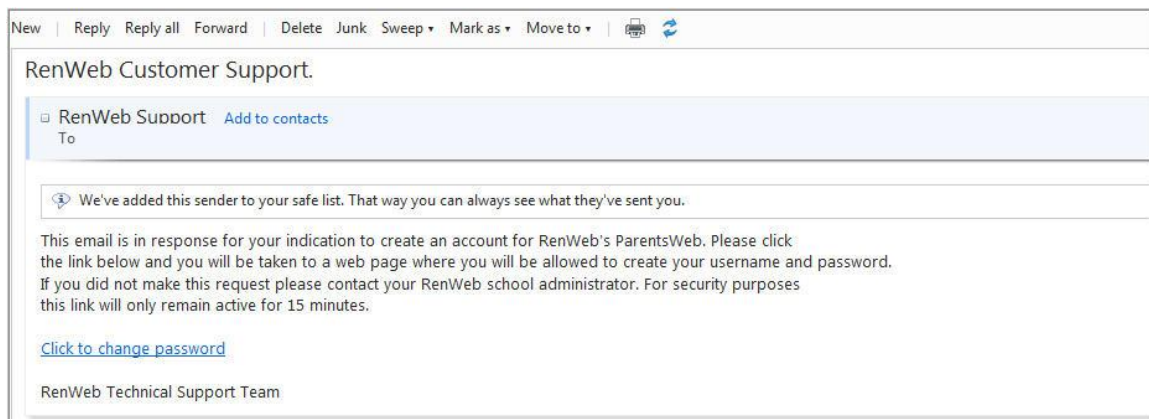

IRCS Launches ParentsWeb!

RenWeb School Management Software and **Indian Rocks Christian School** give parents an opportunity to get more involved in your child's academic progress and future success – all via the Internet!

RenWeb's ParentsWeb is a private and secure parents' portal that will allow parents to view academic information specific to their children, while protecting this information from others. You can see your child's grades, attendance, homework and conduct, as well as other useful school information. You can also communicate with teachers and other school staff online whenever necessary. All you need is an Internet-capable computer.

Here's how to access our easy-to-use **RenWeb ParentsWeb**:

- First, you need to make sure that the school has your email address in RenWeb.
- Next, go to www.renweb.com and click **Logins**. Or you can click on "**ParentsWeb**" from our school website www.ircs.org
- Click **ParentsWeb Login**.
- Type your school's **District Code**. Our code is..... IR-FL
- Click **Create New ParentsWeb Account**.
- Type your email address and an email is sent to you.

- Click the **Click to change password** link. This link is only valid for 30 minutes.
