

The objective of this program is to encourage the recruitment of new students and serve as a way of rewarding present IRCS families involved in the recruitment process with a student tuition reduction.

How It Works

- Invite your family, friends, co-workers and neighbors to experience the community, the passionate purpose, the rock solid program we call Indian Rocks.
- Return the completed Referral Rewards Application to the Finance Office within 30 days of the new student's first day of school.
- Referrals may be made at any time throughout the school year.

Who Is Eligible

- Program is open to all tuition-paying IRCS families.
- Referred families may not have previously attended IRCS (sibling referrals do not apply).
- Referred student must be accepted for admission and attend IRCS.
- This promotion is subject to school and class openings.

Amount of Referral Reward

- \$200 per new student.

Nature of the Referral Reward

- The \$200 Referral Reward is on a per student basis; for example, if a new family has three children to be enrolled in IRCS, the Referral Reward would be \$600.
- Once the student has been accepted and registered, the Referral Reward will be applied to the tuition account 30 days after the new student's school attendance and the approval of the Referral Reward Application.
- Incoming family must identify referrer through the application and interview process.
